

## **WHY THE SURE-PAK 12?**

The Sure Pak 12 is packed by SOPAKCO, a leading military contractor. The Sure-Pak 12 is packed with the same quality products that you will find in the military MRE. They are not packed by an outside source but the same people who pack the MREs for our military. Our meal bags are strong and able to withstand being wet, being dropped from high altitudes and being stored in a work truck for extended periods of time.

## **SHELF LIFE**

SOPAKCO uses an estimated shelf life figure of “5 years, plus or minus” for its fully prepared pouched food products.

Actual shelf life may vary from this estimate. A key factor effecting actual shelf life is the temperature of the storage environment. Storage at temperatures in excess of 85F may shorten the shelf life of fully prepared food products.

The Sure Pak 12 meal case contains 12 individual meal bags. There are two each of six different menus for variety in each case. Each meal bag contains an entrée, side dish, dessert item, cracker or wheat bread and spread, beverage powder and a condiment pack with a spoon, napkin, wet nap, salt, pepper, coffee, creamer and sugars.

Our entrees change frequently based on what is available at the time. Entrees include items such as beefsteak with mushrooms, pot roast with vegetables, cheese omelet with vegetables, chicken breast strips with salsa, chili macaroni, and meatloaf with gravy.

We have supplied thousands of meals to first responders, hurricane victims, police and fire departments and individuals preparing for disasters. You can never be too prepared. With the extended shelf life and convenience of having everything in one bag it makes sense to keep our Sure Pak meals on hand at all times. You never know when you will be stuck for hours waiting on power to be restored or emergency crews to get to where you are.

**NOTHING TO ADD  
JUST OPEN AND EAT**

## BE FULLY PREPARED WITH THE SURE PAK 12

The Sure Pak 12 is fully prepared and ready to eat. It is not a dehydrated/freeze dried meal. All you do is open and eat. Twelve meals per case six different menus as well.
